Expertise and specialty areas

Liz has had extensive experience in the public sector. As a former public sector CEO for almost 10 years, and leader in the public sector at executive level for over 20 years, Liz is highly experienced in working with public sector leaders. She was awarded a Public Service Medal (PSM) in 2014 for Outstanding Service, and a Telstra Business Women's Award in 2009.

Liz brings her extensive leadership and people development experience to her coaching, with a focus on executive coaching, leadership development, and women in leadership.

As an Executive Coach, Liz helps people develop focus, structure and direction, and respond to working life with more insight, self-awareness and meaning. She uses a pragmatic and reflective action learning approach to support individuals to move towards achieving their full leadership potential.
